We need a new Event Director. We need someone organized, enthusiastic, and reliable.

MLW was working on the schedule, but we have not heard from them, recently.
Vortex is wanting to move the gun-range trip to Friday.

We have T-Shirts, and art prints.

Discussion about the hypothetical logistics of a banned attendee trying to appeal the decision to the membership at the at-con meeting. Consensus is that they cannot attend in person, but if they ask in advance we can make arrangements for them to attend online.

Discussion about what general art assets we still need.

Meeting Closed: 12:50pm
